DOUBLE BALL GAME TO-DAY

RAIN KEPT THE BLUES FROM PLAY-ING YESTERDAY.

This Afternoon's Games Will Be Hard Fights, With Carney and Callahan Pitching for the Blues-Racing and Baseball.

Rain prevented the playing of the game between the Blues and the Detroit Tigers yesterday afternoon, and the result is that double games will crowd thick and fast from now to the close of the season here. Two games will be played with Detroit this afternoon, and the ladies will be admitted free. Two more games will be played with Detroit to-morrow afternoon, and these will be followed by double games with Grand Rapids an Monday, which will be Labor day, and on Tuesday. Wednesday

Labor day, and on Tuesday. Wednesday will close the home season, and Manager Manning would doubtless have arranged a double game for that day, but the supply of scheduled games gave out, and he does not care to adopt Indianapolis methods and play more than the law silows.

The games with the Tigers ought to be hard fought and full of interest. The visitors are playing fast ball, despite their run of hard luck in the Minnesota cities, which they attribute to poor umpiring largely. Manager Stallings still has hopes that his team will brace up and by a spurt at the finish beat Indianapolis out for second place. This would indeed be a bitter dose for Watkins to swallow, as the Indianapolis players have already, in their minds, divided up the Free Press cup series money. Stallings bases his hopes on the fact that his team has so many postponed games at home. He says that the Tigers will have to play twenty-four games in fourteen days, and he expects them to win about twenty of them. If they can do that well they will give Indianapolis a hard tussle.

In the meantime the Blues are saying

well they will give Indianapolis a nard tussle.

In the meantime the Blues are saying nothing, but sawing wood. If they can take three out of four games from the Tigers, Stallings will have to sing another tune, while if the Detroits win a majority of the series their prospects will be rosy. The first game this afternoon will be called at 1:30 o'clock, and the second will follow immediately. Carney and Callahan will pitch for the Blues, and Fifield and Egan for the Tigers.

The fielding of the visitors was a great improvement over their work the past two days. A double play by McGann, Long and Stivetts was a feature. Score:

Philadelphia, Sept. 4.—The Phillies won a well earned victory from Pittsburg to-day after eight stubbornly contested innings. Almost the first ball pitched in the locals ninth inning was hit by Lajole for three bases, Hulen went out on a fly, and Grady hit for two bases, followed by Boyle's hit over the fence. The visitors could only get one man on base in their half. Both teams played an excellent fielding game, the errors made being somewhat excusable. Attendance 2,500. Score:

In the second game the Colonels made a good fight, but McJames was more effective than Frazer. Selbach was hit by the pitcher, and was succeeded by Abbey. Attendance 4,100. Scores:

Baltimore, Sept. 4.—The champions took the first game very easily from the Chicagos to-day, and tied the second after an uphill fight, which was ended by darkness after eight innings. Anson was put out of the game, and then ordered off the grounds in the first contest, which was liberally punctured with wrangles over close decisions. In the second the visitors got six runs in the first inning through Hoffer's wildness, but the home team got enough hits and hases on balls from Friend to keep within winning distance, and in the fifth inning Anson put Briggs in the box. FLEETWOOD PARK WINNERS.

Van Zandt and Refina Landed the Two Events.

New York, Sept. 4.-The Grand circuit trotting meeting at Fleetwood park came to an end to-day. The weather was fine and the track in good condition after the soaking rain of the night before. The feature of the day's sport was the unex-pected defeat of Page in the 3:00 stake race, J. Deveraux's game little mare, Van Zandt, winning after an exciting contest of five heats. Page was a prohibitive favorite before the start, the odds being 4 to 1 on the chances and 2 to 1 that he would win in straight heats. The favorite made a break early in the opening round, and Van Zandt won by default in 2:15½. In the second heat the mare was carried to a break near the three-quarters pole, and Page won quite handily in 2:13½. The third heat was very closely contested, both horses sticking to their stride and finishing heads apart. VanZandt was first at the wire by a good head, according to everybody outside of the judges' stand, and there was almost a riot when the officials, after hesitating near a quarter of an hour, decided it a dead heat, groans, hoots and hisses greeting the announcement. In the fourth heat VanZandt fought valiantly and won by an open length in the fast time of 2:12. Page was now tired and the mare beat him in a jog at the finish of the heat, amid great cheering from the excited spectators, whose sympathies were all with VanZandt.

Refina possessed speed enough to have won the paging race in straight heats, but Rowen drove her individuals. Zandt, winning after an exciting contest

Chicago Lines Determined to Handle the Grain if Low Rates Will Do It-Some More Carnival Rates Other Railroad News.

Another outbreak of rate cutting on grain om Western points for shipment to the East is in effect already in Kansas and the same fight that marked the last spell of rate cutting, the contest be-tween the Eastern and Southern ports. The Missouri Pacific a few days ago reduced the rates on corn and wheat from Wichita and other points in Kansas to St. Louis from 1 cent to 2 cents per 100 pounds below rates then in effect. Notice has been given by the Santa Fe that it would meet the Missouri Pacific's rates with correspondingly low rates to Chicago. The new tariff from the principal Kansas points is as follows: Wichita, wheat 16 cents, corn 12 cents; Arkansas City, 16 cents and 12 cents; Belle Plaine, 16 cents and 12 cents; McPherson, 18 cents and 14 cents; Genesed 21 cents and 17 cents. There are corresponding reductions of from 1 cent to 2 ents from all other points.

While Western roads are laboring to keep the grain triffic in its old route through Chicago, Eastern roads not only refuse to reduce their high rates to the Atlantic seaboard, but are actually planning to raise them. Some time ago, in order to help out Western men and to get the enormous 1895 corn crop of the Western steates moving to the seaboard, they reduced their rates on corn from 20 cents to 15 cents. The tariff was to remain in effect until September 15. It was learned yesterday on reliable authority that upon September 15 the old 20-cent rate will be restored. Missouri Pacific Meets the Rates. Yesterday morning the Missouri Pacific gave notice that it proposed to meet the low rates for carmival week made by the Memphis and the Pittsburg & Gulf from common points south of the city on the three lines. This will make attractive rates in a territory that ought to send several thousand people to Kansas City's festivities. The rates will be \$3 from Webb City and Joplin, \$2.50 from Pittsburg and Cherokee, and \$2 from Fort Scott and Rich Hill. Tickets will be sold October 6, 7 and 8, and will be good returning on the 9th.

RECEIVERS APPOINTED.

J. B. Watkins Land Mortgage Company, of Lawrence, Kas., in the Hands of the Court.

Topeka, Kas., Sept. 4.-(Special.) In the federal circuit court to-day Judge Foster appointed Marcus Summerfield and J. B. Watkins, of Lawrence, and John F. Switzer, of Topeka, receivers of the J. B. Wat-kins Land Mortgage Company, of Lawrence. The liabilities amount to \$4,250,000, though the assets are much larger, and the creditors are fully secured. The Lawrence company has been engaged in a general trust and loan business since 1883, with a paid up capital of \$750,000. It has outstanding debentures amounting to \$4,250,000. The Girard Life Insurance Annuity and Trust Company, of Philadelphia, holds \$48,000 of the debentures as trustee, under the will of Wister Morris, formerly of the Quaker city. Interest payments were defaulted June 1 and August 1, 1895, so the company brought suit in the United States court.

As all creditors were treated uniformly in the matter of payments, about \$340,000 of interest is now due and unpaid. The securities held in New York would cover everything, but they cannot be realized upon at this time. the assets are much larger, and the cred-

It struggled along under their control, issuing debenture bonds, which were sold to Eastern people, and three years ago was taken out of the receivers' hands and resumed business under its old name. J. B. Watkins, president of the company, is considered one of the wealthiest men in Kansas, and is the principal owner of the Kansas City, Watkins & Gulf railroad in Texas. It is said that the company is not likely to be reorganized now, but the business closed up in a year or two. Samuel Bishop, of Lawrence, attorney for the company, says the assets will almost cover the liabilities. The assets are farm mortgages in Kansas, Nebraska, Texas and Iowa. The company has done an enormous business in loans and the sale of debenture bonds. How the money was spent can be answered only by the managers of the company.

Watkins Bank Not Affected. Lawrence, Kas., Sept. 4.—(Special.) The appointment of receivers for the Watkins Land Mortgage Company, of this city, today was the result of trouble that ocurred some time since, when J. B. Watkins was appointed receiver, and it was thought that all difficulties had been amicably adjusted. The appointment of the receivers will in no way affect the business of the company here, nor is the Watkins bank involved.
